## Waterbase Pavement Sign

This is the ultimate pavement sign. The waterfill base is capable of taking up to 40 litres of water meaning this pavement sign will withstand very high winds. Transporting is easy also as the base incorporates wheels for this purpose. A great looking pavement sign that will last. Delivery on this pavement sign is next day.

- *Double sided extruded aluminium poster frame*
- *Capable of withstanding high winds*
- *Easy snap open and close poster change system*
- *Water fill base with a capacity of 40 litres*
- *Wheels on base for easy transportation*
